

**Sunlight Center**

**2024, June 17**

**Sunlight Center is situated in the Danube Delta area ( Dunavatu de Jos, Tulcea County, Romania). Raza Soarelui-Sunlight is the only charity organization in an isolated, perspective limited area. The majority of the local community consists of fishermen that lately have to deal with poor fish catch and among the schools of Dunavat and Murighiol we have noticed many children from underprivileged families that have consistently scored very low on school tests and are at risk of school drop out.**

Dear friends, I apologize for not writing anything for 2 months. Between May 18-25, 2024, we had a group of REACH UK volunteers, WHO made a climbing wall for children in the Sunlight Center. On Saturday afternoon, Andrei Dinu was returning from the Airport where he took the volunteers to return to the UK. On the way back, 12 KM from Dunavat, he fell asleep at the wheel and had an accident, hitting a concrete pillar. Consequences, left leg multiple femur fractures, left hand fracture, sternum fracture, 5 broken ribs, compressed heart, blood in the lungs... He was taken by helicopter, taken to the hospital in Constanta, moved to Bucharest where he was operated on in emergency mode and then moved to Sttugart in Germany. He was taken by helicopter, taken to the Hospital in Constanta, moved to Bucha-

rest where he underwent emergency surgery and then moved to Sttugart in Germany. For Mariana Dinu and the 4 children, this period was very difficult as it was for us. Andrei was immobilized in bed for a long time, in Germany he started a recovery program, he got out of bed, walks on crutches, cannot use his left leg and left hand. At this moment, he is waiting to find a place in a recovery center, which is difficult because he is struggling with 2 bacteria. Many people and churches are praying for Andrei. Tomorrow he will make his first trip by plane to Berlin. Then he will wait for a place in a recovery center.

We don't know why these things happen, but we know that God is in control!

But during this period we worked with the children at the Sunlight Center. We continued to teach lessons with life principles based on Scripture.

**We did different activities with children on June 1st, Children's Day, and the children enjoyed everything very much.**

We continued to help the elderly and all other programs in the Center went normally. They are old people who have a very small pension and who grow tomatoes, cucumbers, beans, potatoes in their garden, and they were very happy when I gave them seeds... I have helped more than 100 people.

I didn't forget the children with disabilities on June 1st, Children's Day, I brought them gifts that made them very happy!

The vacation is coming, but this summer we will not have a camp with the children from Dunavat. But at the end of July we scheduled a camp with disabled children from Tulcea.

What we pray for:

1. Andrei to become healthy and useful for families and for other works;
2. for people to help financially with the works being done;
3. for the Camp with disabled children from Tulcea where we will start the fundraising campaign on July 1, 2024;
4. For volunteers to help with these works;
5. for the children and parents from Murighiol, Dunavatu de Sus and Dunavatu de Jos to receive the Lord Jesus in their lives.
