

2024, December 23

Sunlight Center is situated in the Danube Delta area (Dunavatu de Jos, Tulcea County, Romania). Raza Soarelui-Sunlight is the only charity organization in an isolated, perspective limited area. The majority of the local community consists of fishermen that lately have to deal with poor fish catch and among the schools of Dunavat and Murighiol we have noticed many children from underprivileged families that have consistently scored very low on school tests and are at risk of school drop out.

Dear Friends,

I wrote to you that at the beginning of November I was looking for Christmas gifts for the children in the Danube Delta. We also prayed that God would help us to be able to maintain these programs in the future. We insisted very much to our friends in the UK to send us Shoes boxes like in other years for the children of the Danube Delta, but the response from the UK was negative.

But God answered our Prayers and someone sponsored the purchase of gifts for 35 children who come to the Sunlight Center. So on December 20, we had the Children's Celebration at the Center on the occasion of the celebration of the Nativity of Jesus, and 65 people were present who had the opportunity to listen to the Good News of the Gospel and were invited to receive Jesus into their hearts. And the 25 children and their younger brothers and sisters present at the celebration received gifts!

The Constanta Food Bank, which helps us with food once every 2 months, facilitated us on the occasion of the National Food Collection Campaign, to organize and collect from the 2 Penny stores in Tulcea. God answered our prayers and we had 21 volunteers from the George Georgescu Tulcea Arts High School, who from December 13-15, 2024 stayed at these stores motivating people to donate and collected 956 kg of basic food - oil, sugar, flour, pasta, rice, cake, fruit, which we made into 15 kg packages and take to 60 families, over 90 beneficiaries. We started this activity on December 21st, accompanied by the children from the Center with whom we sang the Christian carols that talk about the Birth of the Savior.

And since December 22, with part of the gifts, I made and will make visits, where I can talk with the people in the house, to encourage them to return to God and to trust in Him, who is the only Hope for us.

I wrote you these things, to thank you for your prayer and financial help and for the encouragements and appreciations given that helped us in this difficult year for us, let's move on!

As for the future, our decision is:

1. To continue the project helping the elderly,
2. To continue the project with the 25 children who come to the Sunlight Center.

To proceed, we need your financial support for the following actions:

- ◆ Support for the project for these 25 children, where we will continue to counseling and development activities. Your donations will cover the costs of maintenance, transportation, materials for activities and winter heating. We estimate needing at least 300 euros per month to continue this project.
- ◆ Support for the project for 22 elderly for transportation costs (weekly, a specialized person covers over 500 kilometers to care for these elderly individuals) and the Lady employed part time, 450 Euro per month.
- ◆ We receive support from the Constanta food bank for the food we provide, and a family that resonated with this project will make a recurring donation for the specialized person caring for the elderly.

We wish you Happy Christmas and Blessed New Year!
